

March 12, 2020

To our valued customers: The team at Rossitto's Ristorante is taking extra steps to keep everyone safe and healthy during the Coronavirus outbreak.

Rossitto's Ristorante already has strict protocols and best practices for cleanliness and sanitation in place, but we will be taking extra steps to protect our customers and staff from Coronavirus. This includes additional disinfection throughout the restaurant (everything from door knobs to our credit card machines) and ensuring our staff is frequently washing their hands and staying home, if need be.

According to the CDC, "there is no evidence to support transmission of COVID-19 associated with food." Our team is in contact with the state and local health department for the latest advisories and information about the Coronavirus in our community.

Thank you in advance for your continued support of our business.
