

RE-OPENING ON MAY 20!

Rossitto's Ristorante is planning to re-open for eat-in service on our patio on May 20.

A SAFER SEATING PLAN:

We have been diligently working to design outdoor seating areas that comply with the Governor's standards for reopening. Our staff will also be following special operating protocols to ensure our service is as safe and sanitary as possible.

OUR MENU AND RESERVATIONS:

Since seating will be limited to our patios, we prefer that you make a reservation. However, we will also be taking walk-in reservations. If there are no tables immediately available, we'll take your phone number, ask that you wait in your car and we'll give you a call when a table is ready.

We'll have a streamlined menu to accommodate certain food shortages. (It will be posted on www.rossittos.com and distributed on our social media channels when available.) Rossitto's will continue to offer options that accommodate food allergies and other dietary requirements.

THANK YOU FOR YOUR SUPPORT

We understand that this is an unusual time for all, and our main concern is the wellbeing of our patrons and employees. We look forward to being able to serve you again!
